## DENTAL CAMP

29.06.2020

The NSS unit of Rajamahendri Institute of Engineering and Technology conducted dental camp in collaboration with Lenora dental college, Rajanagaram. Surrounding villagers actively participated. Dr. N.V.Sudhakara Reddy provided free medicines to poor people in the village. Tooth Brushes and Tooth Pastes were distributed to the participants at free of cost.

## FEEDBACK

Almost people of all age groups participated in this FREE DENTAL CAMP. All the volunteers are fully satisfied by today's programme because the villagers had many teeth problems and this type of health camp was not conducted till then. The Dental Camp also created awareness about the teeth and oral problems of the villagers.

## EARTH PROTECTION CAMP

**CONDUCTED ON 18.12.2020**

Earth Day is an annual event marked across the world to show support for environmental protection. The aim is to encourage people to do things that will benefit the Earth, such as recycling more, using solar power or plant trees. The event takes place around the world and it is described as the biggest secular holiday on the planet.

**The Earth Day theme is End Plastic Pollution.**

Earth Day was celebrated at Rajamahendri Institute of Engineering and Technology on 18.12.2020. RIET NSS Unit conducted rally to reduce the use of plastics on the World Earth Day. All NSS Volunteers actively participated in the rally and motivated the people about the dangers of using plastics. The following are the main themes of the rally.

- Use reusable bags when you go shopping
- Don't use plastic straws with drinks where possible
- Buy boxes instead of bottles - cardboard is easier to recycle than plastic
- Use reusable bottles and cups
- Pack meals in reusable containers instead of disposable plastic containers and sandwich bags

It was a great day to showcase environmental education, highlight efforts to green the environment and engage the whole student community in making a difference. Speaking on the occasion Principal, Dr.P.G.Ramanujam said 'The Earth Day celebration offers opportunities to both teach about the issue and make a tangible environmental impact. NSS Programme Officer P.Sateesh Kumar said 'Together we can make everyday Earth Day and each one of us in the college can make a difference'.

### EYE CAMP

### CONDUCTED ON 18.02.2021

RIET NSS Unit in association with Vasana Eye Care, Department of Ophthalmology, Rajamahendravaram organized an eye check up camp on 18.02.2021 for students and villagers. A regular eye test is the best way to protect our eyesight-- and an easy precaution to take-- as many sight-threatening diseases can be cured or slowed if caught early enough, said the doctors.

On this occasion a group of Eye Specialists and Refractionists from Vasana Eye Care Hospital counseled the participants on eye care by a comprehensive computerized eye examination. As per today's working environment, of the ever-increasing expectations for efficiency and performance, good vision is critical to ensure the ability to produce good results so specialists informed the students about the importance of regular eye check up and gave some tips on caring for and protecting their eyes. They also advised the participants about the special care to be taken while spending long hours in front of computers. The camp witnessed sincere participation of over two hundred students and faculty members.

The Eye Specialists from the hospital examined around 450 students with state of art equipment. The objective of the general eye check up was to facilitate early deficiency among the students and villagers and provide tips on caring for and protecting their eyes. Villagers from nearby college were also screened by the specialists.

The camp witnessed enthusiastic participation from the students, teachers and NSS Volunteers of the college. On behalf of RIET, NSS Programme Officer P.Sateesh Kumar, addressed the team of specialists and delivered the vote of thanks.

About 320 students and villagers participated and took advices from the doctors. Guests RRSS Srinivas, Sri T.Anjaneyulu and doctors attended the programme and asked the students to take active part in social activities, which will help in overall development of individual and society.

## SWATCHH RIET

### CONDUCTED ON 30/1/21

In response to the call given by the Honorable Prime Minister Shri Narendra Modi, the Swachh RIET Programme was launched at Rajamahendri Institute of Engineering and Technology. A day prior to the launch a massive awareness drive was undertaken through posters, social networking sites and word of mouth in the college. NSS Unit conducted meeting in the college to promote awareness among students regarding cleanliness. On the 30th morning, students were divided into groups and they personally cleaned every nook and corner of the college. Special attention went into ensuring cleanliness of areas like the canteen, library, toilets and the college lawns which are the favourite haunts of students and therefore more prone to littering. NSS volunteers and students roped in for the effective implementation of the programme.
