### EYE CAMP CONDUCTED ON 02.08.19

RIET NSS Unit in association with Vasani Eye Care, Department of Ophthalmology, Rajamahendravaram organized an eye check up camp on 02.08.19 for students and villagers. A regular eye test is the best way to protect our eyesight-- and an easy precaution to take-- as many sight-threatening diseases can be cured or slowed if caught early enough, said the doctors.

On this occasion a group of Eye Specialists and Refractionists from Vasani Eye Care Hospital counseled the participants on eye care by a comprehensive computerized eye examination. As per today's working environment, of the ever-increasing expectations for efficiency and performance, good vision is critical to ensure the ability to produce good results so specialists informed the students about the importance of regular eye check up and gave some tips on caring for and protecting their eyes. They also advised the participants about the special care to be taken while spending long hours in front of computers. The camp witnessed sincere participation of over two hundred students and faculty members.

The Eye Specialists from the hospital examined students with state of art equipment. The objective of the general eye check up was to facilitate early deficiency among the students and villagers and provide tips on caring for and protecting their eyes. Villagers from nearby college were also screened by the specialists.

### SWATCH BHARAT

06-11-2019

In response to the call given by the Honorable Prime Minister Shri Narendra Modi, the Swachh RIET Programme was launched at Rajamahendri Institute of Engineering and Technology. A day prior to the launch a massive awareness drive was undertaken through posters, social networking sites and word of mouth in the college. NSS Unit conducted meeting in the college to promote awareness among students regarding cleanliness. On the 26th morning, students were divided into groups and they personally cleaned every nook and corner of the college. Special attention went into ensuring cleanliness of areas like the canteen, library, toilets and the college lawns which are the favourite haunts of students and therefore more prone to littering. NSS volunteers and students roped in for the effective implementation of the programme.

## WORLD RETINA WEEK

### CONDUCTED ON 1.10.19

RIET NSS Unit in association with Dr AGARAWAL Hospital, Department of Ophthalmology, Rajamahendravaram organized Rally during World Retina Week on 1.10.19 for students and villagers. A regular eye test is the best way to protect our eyesight-- and an easy precaution to take-- as many sight-threatening diseases can be cured or slowed if caught early enough, said the doctors.

On this occasion a group of Eye Specialists and Refractionists from Vasan Eye Care Hospital counseled the participants on eye care by a comprehensive computerized eye examination. As per today's working environment, of the ever-increasing expectations for efficiency and performance, good vision is critical to ensure the ability to produce good results so specialists informed the students about the importance of regular eye check up and gave some tips on caring for and protecting their eyes. They also advised the participants about the special care to be taken while spending long hours in front of computers. The Rally witnessed sincere participation of over two hundred students and faculty members.

The camp witnessed enthusiastic participation from the students, teachers and NSS Volunteers of the college. On behalf of RIET, NSS Programme Officer P.Sateesh Kumar, addressed the team of specialists about the camp.
