NAME OF THE COURSE	DESCRIPTION
Environmental Science	Environmental science is a quantitative discipline with both applied and theoretical aspects and has been influential in informing the policies of governments around the world.
Constitution of India	A Constitution of a state is a fundamental set of principles or established precedents according to which the state is governed. It outlines the organization, powers, and limits of government institutions, as well as the rights and duties of citizens. It serves as the supreme law of the land, providing a framework for the functioning of the government, the protection of individual liberties, and the maintenance of social order.
Professional Ethics and Human Values	To enable the students to create an awareness on engineering ethics and human values to instill moral and social values and loyalty and to appreciate the rights of others.
Research Methodology and IPR	This course offers an introduction to intellectual property: International organizations, agencies and treaties, importance of intellectual property rights.

ENVIRONMENT SCIENCE

Course Objectives:

The objectives of the course are to impart:

- Overall understanding of the natural resources.
- Basic understanding of the ecosystem and its diversity.
- Acquaintance on various environmental challenges induced due to unplanned anthropogenic activities.
- An understanding of the environmental impact of developmental activities.
- Awareness on the social issues, environmental legislation and global treaties.

UNIT I

Multidisciplinary nature of Environmental Studies: Definition, Scope and Importance – Sustainability: Stockholm and Rio Summit–Global Environmental Challenges: Global warming and climate change, acid rains, ozone layer depletion, population growth and explosion, effects. Role of information technology in environment and human health.

Ecosystems: Concept of an ecosystem. - Structure and function of an ecosystem; Producers, consumers and decomposers. - Energy flow in the ecosystem - Ecological succession. - Food chains, food webs and ecological pyramids; Introduction, types, characteristic features, structure and function of Forest ecosystem, Grassland ecosystem, Desert ecosystem, Aquatic ecosystems.

UNIT II

Natural Resources: Natural resources and associated problems.

Forest resources: Use and over – exploitation, deforestation – Timber extraction – Mining, dams and other effects on forest and tribal people.

Water resources: Use and over utilization of surface and ground water – Floods, drought, conflicts over water, dams – benefits and problems.

Mineral resources: Use and exploitation, environmental effects of extracting and using mineral resources.

Food resources: World food problems, changes caused by non-agriculture activities-effects of modern agriculture, fertilizer-pesticide problems, water logging, salinity.

Energy resources: Growing energy needs, renewable and non-renewable energy sources use of alternate energy sources.

Land resources: Land as a resource, land degradation, Wasteland reclamation, man induced landslides, soil erosion and desertification; Role of an individual in conservation of natural resources; Equitable use of resources for sustainable lifestyles.

UNIT III

Biodiversity and its conservation: Definition: genetic, species and ecosystem diversity- classification - Value of biodiversity: consumptive use, productive use, social-Biodiversity at national and local levels. India as a mega-diversity nation - Hot-spots of biodiversity - Threats to biodiversity: habitat loss, man-wildlife conflicts. - Endangered and endemic species of India – Conservation of biodiversity: conservation of biodiversity.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

UNIT IV

Environmental Pollution: Definition, Cause, effects and control measures of Air pollution, Water pollution, Soil pollution, Noise pollution, Nuclear hazards. Role of an individual in prevention of pollution. - Pollution case studies, Sustainable Life Studies. Impact of Fire Crackers on Men and his well being.

Solid Waste Management: Sources, Classification, effects and control measures of urban and industrial solid wastes. Consumerism and waste products, Biomedical, Hazardous and e – waste management.

UNIT V

Social Issues and the Environment: Urban problems related to energy -Water conservation, rain water harvesting-Resettlement and rehabilitation of people; its problems and concerns. Environmental ethics: Issues and possible solutions. Environmental Protection Act -Air (Prevention and Control of Pollution) Act. -Water (Prevention and control of Pollution) Act - Wildlife Protection Act -Forest Conservation Act-Issues involved in enforcement of environmental legislation. -Public awareness.

Environmental Management: Impact Assessment and its significance various stages of EIA, preparation of EMP and EIS, Environmental audit. Ecotourism, Green Campus – Green business and Green politics.

The student should Visit an Industry / Ecosystem and submit a report individually on any **issues related to Environmental Studies course and make a power point presentation.**

EMPLOYABILITY SKILLS-I				

Course Objectives:

The main objective of this course is to assist students in developing employability skills and personal qualities related to gaining and sustaining employment.

Course Outcomes: The end of the course student will be able to

- Understand the corporate etiquette.
- Make presentations effectively with appropriate body language
- Be composed with positive attitude
- Understand the core competencies to succeed in professional and personal life

UNIT I:

Analytical Thinking & Listening Skills: Self-Introduction, Shaping Young Minds - A Talk by Azim Premji (Listening Activity), Self – Analysis, Developing Positive Attitude, Perception.

Communication Skills: Verbal Communication; Non Verbal Communication (Body Language)

UNIT II:

Self-Management Skills: Anger Management, Stress Management, Time Management, Six Thinking Hats, Team Building, Leadership Qualities

Etiquette: Social Etiquette, Business Etiquette, Telephone Etiquette, Dining Etiquette

UNIT III:

Standard Operation Methods: Note Making, Note Taking, Minutes Preparation, Email & Letter Writing **Verbal Ability:** Synonyms, Antonyms, One Word Substitutes-Correction of Sentences-Analogies, Spotting Errors, Sentence Completion, Course of Action -Sentences Assumptions, Sentence Arguments, Reading Comprehension, Practice work

UNIT IV:

Job-Oriented Skills –I: Group Discussion, Mock Group Discussions

UNIT V:

Job-Oriented Skills –II: Resume Preparation, Interview Skills, Mock Interviews

Women Empowerment: A Force for Progress

Women's empowerment is more than a slogan; it's the cornerstone of a thriving society. It's about dismantling the barriers that hold women back and unlocking their limitless potential. Throughout history, women have faced limitations on education, career choices, and bodily autonomy. Empowerment seeks to dismantle these obstacles and create a world where women can flourish.

There are several key pillars supporting women's empowerment. Education is fundamental. When girls are educated, they gain the skills and confidence to navigate the world and pursue their dreams. This not only benefits them individually but also strengthens communities and economies. Studies show a direct correlation between a nation's female literacy rate and its overall development.

Economic empowerment is another crucial aspect. Equal access to jobs, training, and financial resources allows women to achieve financial independence and participate meaningfully in the workforce. This not only improves their quality of life but also injects a powerful force into the global economy.

Political participation is vital for ensuring women's voices are heard. When women have a seat at the table, policies are more likely to reflect the needs of all citizens. Increased female representation in government leads to better healthcare initiatives, stronger education systems, and a more peaceful world.

Bodily autonomy is a fundamental right. Women must have control over their bodies, including their reproductive choices. Access to quality healthcare, including sexual and reproductive health services, is essential for women's well-being and empowers them to make informed decisions about their lives.

The fight for women's empowerment is far from over. Gender-based violence, discriminatory social norms, and unequal access to resources continue to be major challenges. However, there's also a groundswell of progress. Women are breaking glass ceilings in all sectors, from science and technology to business and politics. Grassroots movements are raising awareness and demanding change.

RAJAMAHENDRI

INSTITUTE OF ENGINEERING & TECHNOLOGY

eMail: office@rietjy.co.in Website: www.rietjy.co.in Ph: +91 91212 14413

Here's how we can further the cause:

Support girls' education. Advocate for equal access to quality education for all girls.

Challenge gender stereotypes. Speak out against biases that limit women's potential.

Celebrate women's achievements. Amplify the stories of women who are making a difference.

Support organizations working on women's empowerment initiatives.

Women's empowerment is not a zero-sum game. When women thrive, societies thrive. By investing in women's education, health, and economic opportunities, we unlock the potential of half the world's population, leading to a more prosperous, equitable, and peaceful future for all.

PROGRAM REPORT

OBJECTIVES OF THE PROGRAMME:

Objective of Mother's Day is to foster a sense of community and empathy within society. It encourages people to reflect on the role of mothers not only in their personal lives but also in the broader community. Mother's Day serves as a reminder to appreciate and support all mothers, including single mothers, foster mothers, adoptive mothers, and those who may not have biological children but play maternal roles in the lives of others.

This sense of community extends to recognizing the diverse experiences of motherhood, acknowledging the challenges faced by mothers from different backgrounds, and promoting inclusivity and understanding. Mother's Day can be a time to celebrate the strength, resilience, and diversity of mothers around the world, fostering empathy and compassion for the various journeys and experiences of motherhood.

PROGRAM REPORT

OBJECTIVES OF THE PROGRAMME:

Gender Equality Day is a call to action for individuals, communities, and institutions to work together towards creating a more just and equitable society. It emphasizes the importance of dismantling gender stereotypes and biases that limit opportunities for individuals based on their gender identity. The day encourages the promotion of inclusive policies and practices in workplaces, schools, and communities, ensuring that everyone has equal access to resources, opportunities, and rights. It also serves as a reminder to address systemic issues such as gender-based violence, unequal representation, and limited access to healthcare and education, advocating for sustainable solutions that benefit all genders. Ultimately, Gender Equality Day is about fostering a world where diversity is celebrated, and every person is empowered to reach their full potential, regardless of their gender.

PROGRAM REPORT

OBJECTIVES OF THE PROGRAMME:

Mother's Day is to promote emotional well-being and mental health awareness. The day encourages individuals to reflect on the emotional bond between mothers and their children, emphasizing the positive impact of nurturing relationships on mental well-being. It's an opportunity to express love, appreciation, and gratitude, which can contribute to positive emotions and strengthen family ties.

Moreover, Mother's Day can serve as a reminder to support mothers' mental health and well-being. It encourages conversations about the importance of self-care, seeking help when needed, and addressing mental health challenges that mothers may face, such as postpartum depression or caregiver stress. By raising awareness about these issues and promoting open dialogue, Mother's Day contributes to a healthier and more supportive environment for others and families.

PROGRAM REPORT

Name of the Event: An Awareness program on “Disha App”.

Event Date: 16-5-2022

Organized by: Dept of CSE

Resource Person: G.S.MANI

Venue: Seminar Hall, RIET.

Number of Students Attended: 50

Description: The speaker has disseminated enough information on usage of APP and the government of Andhra Pradesh has brought a new law, the Andhra Pradesh, Disha App, 2019, allowing more stringent punishment for crimes committed against women, speedy trials and a more secure atmosphere. Disha Act 2019 is a contributory acknowledgment to a veterinary doctor. The act provides death penalty for offences like rape, gang rape and speeding up trials of such offences within 21 days. The act visualizes the execution of investigation within 7 days and trial in 17 days from the date of filing the charge sheet, for gathering sufficient evidences and the passing of judgment within the time period of 21 days.

Attracted the participants sessions overview by showing videos.

AWARENESS PROGRAMME ON EDUCATION AND HUMAN VALUES

16.07.2022

students participated in the **Awareness Programme on Education and Human Values**. The Volunteers explained students about the importance of Education and Human values. They explained the students about the responsibilities of an Engineering Student by giving their personal experiences. We educated the village people about the importance of higher education and human values. More than 50 villagers and 100 students have participated in this event. Today's Programme Chief Guest G.S.V.Ravi Krishna, Head Master, Zilla Parishad High School, Pidimgoyyi explained the need for education to the villagers and volunteers.

ESSAY WRITING COMPETITION

AUGUST 15TH 2022

The RIET NSS Unit has conducted Essay Writing Competition for all students on the occasion of 75th Independence Day Celebrations. The main theme of the Essay Writing Competition is **Nation first Always first: India as a developing Nation**. NSS volunteers encouraged all the students to actively participate in the Essay Writing Competition. More than 50 students were participated in the competition.

NSS Programme Officer arranged the meeting for all NSS volunteers one day before the Essay Writing competition and announced the topic for the students. He said, Nation first and always first is the major theme for 75th Independence day celebrations. So, to contribute for the nation it's important to conduct and involve in various activities to motivate youth of India. NSS always strives for Youth and Nation development. To transform India into a developed Nation is the major challenge for us and it is the responsibility of every India citizen to give their contribution for the nation. He also said, by conducting Essay Writing Competition on this theme, we can motivate our students to participate and create awareness among the students. We can also make them to be more responsible to achieve success in their career.

HEALTH CAMP

18.08.2022

RIET NSS Unit in association with Govt. Hospital, Rajamahendravaram organized free Health checkup camp on 18.08.22 for faculty, students and villagers. A regular health checkup is the best way to protect our health from maladies and diseases and can be cured or slowed if caught early enough, said the doctors.

CLEAN AND GREEN, PLANTATION PROGRAMME

18.08.2022

The NSS unit of Rajamahendri Institute of Engineering and technology conducted clean & green and plantation programme at adopted village. All the students of Pidimgoyyi Zilla Parishad High School, some villagers and volunteers participated in the programme.

We are very much satisfied by conducting Clean and Green Programme mainly because of good response and co-operation we got from school students and villagers. Moreover, NSS volunteers learned about the social responsibilities.

NSS ORIENTATION PROGRAMME ON NSS DAY

24.09.2022

The RIET NSS Unit has conducted NSS Orientation Programme for all students on the occasion of NSS Day on 24th September 2022. The occasion was presided by Dr. M.Murali Krishna, Principal, RIET. He spoke about 'The Role of RIET NSS UNIT'. He explained about various activities undertaken by NSS and explained about the support provided by NSS volunteers. He also narrated how general public got benefited by various activities. NSS volunteers were highly inspired and felt motivated by this programme.

Followed by the NSS day celebration, we also gave orientation to the students. This event was carried out by NSS Programme Officer. He explained about the NSS motto, emblem, objective and activities. The session gave a clear understanding on various activities carried out by NSS. Freshers actively participated in the discussion and cleared all their doubts and got ready to put forth their hands of service

PREVENTION OF PLASTIC USAGE

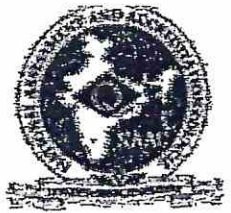

CONDUCTED ON 10.10.2022

The Earth Day theme is End Plastic Pollution.

Earth Day was celebrated at Rajamahendri Institute of Engineering and Technology on 10.10.2022. RIET NSS Unit conducted rally to reduce the use of plastics on the World Earth Day. All NSS Volunteers actively participated in the rally and motivated the people about the dangers of using plastics. The following are the main themes of the rally.

- Use reusable bags when you go shopping
- Don't use plastic straws with drinks where possible
- Buy boxes instead of bottles - cardboard is easier to recycle than plastic
- Use reusable bottles and cups
- Pack meals in reusable containers instead of disposable plastic containers and sandwich bags

BLOOD DONATION CAMP

17.10.2022

Rajamahendri Institute of Engineering and Technology in association with Government Hospital in Rajamahendravaram conducted blood donation camp under NSS unit in the campus on 17/10/22. Around 33 students, including girls and boys, donated blood at blood donation camp. NSS Programme Officer organized the camp.

Speaking on the occasion, NSS Programme Officer asked the students to take active part in the activities of NSS and spread awareness on blood donation camp among the student community. The youth should play a catalyst role to give their service to the needy. The Dignitaries made their gracious presence in the camp which started at 9.30 A.M and went up to 3.00 P.M. Refreshments were provided to the students who were part of the camp. The Volunteers took immense care to meet the requirements of students after donating the blood. The college Management congratulated the RIET NSS and Government Hospital for having organized an event of social benefit and also assured to support for similar events in the days to come. Blood bank Medical Officer Dr.Bramarambha, Government Hospital Doctors and members attended the program.

PLANTATION PROGRAMME

18.11.2022

RIET NSS Unit conducted plantation programme on 18-11-22 in Bhoopalapatnam village. NSS volunteers planted the plants in the village and in surrounding areas. Our volunteers motivated the students and village people about how to safe guard the environment. The villagers helped us in planting trees. We were distributed 100 different plants for the plantation purpose.

SANITARY AWARENESS PROGRAMME

13.12.2022

The volunteers and students participated in the Sanitary Awareness Programme. The Volunteers explained students and the villagers about the importance of sanitary conditions. They explained the students about the responsibilities of an Engineering Student by giving their personal experiences. We educated the village people about the importance of Sanitary conditions. More than 40 villagers and 100 students have participated in this event. Today's Programme Chief Guest G.S.V.Ravi Krishna, Head Master, Zilla Parishad High School, Pidimgoyyi explained the need for education to the villagers and volunteers.
