### EYE CAMP

#### CONDUCTED ON 20.07.18

RIET NSS Unit in association with Vasani Eye Care, Department of Ophthalmology, Rajamahendravaram organized an eye check up camp on 20.07.18 for students and villagers. A regular eye test is the best way to protect our eyesight-- and an easy precaution to take-- as many sight-threatening diseases can be cured or slowed if caught early enough, said the doctors.

On this occasion a group of Eye Specialists and Refractionists from Vasani Eye Care Hospital counseled the participants on eye care by a comprehensive computerized eye examination. As per today's working environment, of the ever-increasing expectations for efficiency and performance, good vision is critical to ensure the ability to produce good results so specialists informed the students about the importance of regular eye check up and gave some tips on caring for and protecting their eyes. They also advised the participants about the special care to be taken while spending long hours in front of computers. The camp witnessed sincere participation of over two hundred students and faculty members.

The Eye Specialists from the hospital examined around 650 students with state of art equipment. The objective of the general eye check up was to facilitate early deficiency among the students and villagers and provide tips on caring for and protecting their eyes. Villagers from nearby college were also screened by the specialists.

The camp witnessed enthusiastic participation from the students, teachers and NSS Volunteers of the college. On behalf of RIET, NSS Programme Officer P.Sateesh Kumar, addressed the team of specialists and delivered the vote of thanks.

About 650 students and villagers participated and took advices from the doctors. Guests RRSS Srinivas, Sri T.Anjaneyulu and doctors attended the programme and asked the students to take active part in social activities, which will help in overall development of individual and society.
