AND

**RAJAMAHENDRI INSTITUTE OF ENGINEERING AND TECHNOLOGY,
RAJAMAHENDRAVARAM, ANDHRA PRADESH**

This MOU is entered into on the day of 1ST, JUNE 2018 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRI and Rajamahendri Institute of Engineering and Technology (Hereinafter called RIET), an Engineering college affiliated to Jawaharlal Nehru Technological University, Kakinada. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in various esteemed Organizations is an Autonomous Institution with good discipline as well as Result oriented with NAAC-A Grade,

JNTU Kakinada -Permanent affiliation and ISO Certified Institution and Rajamahendri Institute of Engineering and Technology. In the interest of establishing a relationship of mutual benefit to both organizations, NRI Insitute of Technology, Vijayawada (NRIIT)and (RIET)have agreed to the areas of collaboration on academic and research related activities as mentioned in this MoU.

1. Objectives:

1.1. To contribute further to the regional understanding between faculty and staff of NRIIT and RIET for enhancing skills of students/aspirants through internship and vocational training in order to enhance the quality of Technical and Engineering education in the Country.

1.2. To strengthen collaboration between NRIIT and RIET through academic programs in instruction, research and faculty development among the faculty and students of both parties.

2. Scope

The Scope of collaboration on academic and research activities in this Memorandum of Understanding includes the following categories:

1. Developing research projects jointly and avail funding
2. Exchange of academic information, materials and facilities
3. Students Exchange
4. Faculty and Staff Exchange
5. Research aid to Ph.D. scholars by both parties
6. Intellectual property rights of the collaboration work belonging to both parties
7. Organizing/participation in Joint symposia, seminars, conferences, workshops etc.
8. Developing articulations for twinning/joint programs and allowing students to undertake part of the programme/course of study at each organization; and
9. Promoting such other activities/programs as mutually agreed from time to time.

2.1 Developing research projects jointly and avail funding

Both the parties agree to undertake research projects/activities through sharing of research ideas, data and academic resources that can lead to joint publications, development of any product or other intended outcomes like Intellectual property rights/ patents/discoveries generated out of the research activities, belonging to both parties. Such collaboration activities will also include joint research conferences, visitations and sabbaticals at each other's premises; subject to mutual consent of both the parties. All such joint research activities will be governed by the terms and conditions lay down by separate written agreement by both organizations.

2.2 Exchange of academic information, materials and facilities

Both parties agree to exchange academic information, facilities, resources etc. as mutually agreed from time to time.

2.3 Students Exchange

Short Courses/ Summer School: These courses, usually two to four weeks in duration, will normally be held in spring or summer as mutually agreed. The programs will facilitate visits by students and faculty to learn about the industry environment and culture. In addition to various topics on industry operations and culture, the course would include meetings with industry executives, and visits to various industrial establishments. The cost and other terms of such programs will be mutually worked out separately each year.

2.4 Faculty and Staff Exchange

Both organizations agree to develop opportunities for faculty to teach courses, conduct seminars and undertake such other activities at each other's campus as mutually agreed. Visiting faculty will be provided with opportunities to observe and share teaching methods and curriculum. NRIIT and RIET will exchange faculty according to the terms and conditions as mutually agreed upon.

2.5 Organizing/ participation in Joint symposia, seminars, conferences, workshops etc.

Both organizations will promote their faculty and staff participation in the conferences, conclaves and seminars organized by each other to strengthen the ties between both the organizations and will also jointly organize symposia, seminars, conferences, workshops and other programs as mutually agreed.

3. Advertising & Publicity

Both the parties will publicly advertise the collaboration under this MoU among students, staff etc., if agreed by their management. Where reasonably possible, in making advertisements or public announcements in relation to this MoU, each organization shall acknowledge the participation of other organization and the contribution that other organization has made if any.

4. Commencement, renewal, termination and amendment

This MOU will come into force upon affixing of the signatures of the representatives of the both organizations and will remain in effect for one (1) year. This MOU will be renewed upon its expiry, as per mutual agreement of both organizations. If either organization wishes to terminate the MOU at the end of one year period or in between the period of one year, it must notify the other organization not less than one month prior to the expiry of the MOU.

The event of termination will not affect participants from completing their activities at the host party already initiated or ongoing unless otherwise mutually agreed. This MoU, its renewal and the actions taken under it will be reviewed at any time. Modifications to MoU will be made by mutual consent and any amendment or extension to the MoU will be formalized by the exchange of letters and or emails between the two organizations.

5. Coordinators:

Each organization agrees to appoint an overall Coordinator for the administration of this MOU. The Coordinator will serve as the contact person on campus. These coordinators will ensure smooth flow of communication and would be responsible to ensure that necessary approvals are in place for student/faculty exchange, articulation agreement etc. These coordinators will be responsible to ensure the effectiveness and enforcement MOU. Both organizations are responsible for keeping their contact details up to date. Contact details and address of the designated coordinators are given hereunder:

6. Resolution of Disputes and Governing Law:

In the event of any unforeseen issues or matters not covered herein or any controversy, dispute or difference arising out of or in connection with this MoU, the same shall be resolved amicably by both the organizations. This MoU and further agreements will in all respect be governed by and construed in accordance with the laws of Republic of India. This MOU shall be signed in counterpart. Each counterpart will constitute an original document and these counterparts taken together, shall constitute one and the same MOU.

Both **RIET** and **VGTN** are collectively referred to as the Parties and individually as a Party.

WHEREAS, **RIET** is an institution offering various undergraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, **VGTN** is an institution offering various undergraduate and postgraduate programs in engineering disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- **FDPs:** The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- **Workshops:** The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- **Seminars:** The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.

- **Research and Incubation Cell:** The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.
- **Exchange:** The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- **National and International Conferences:** The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants. The terms and conditions of the collaboration, such as the duration, budget, resources, communication, reporting, evaluation. The signatures and dates of the authorized representatives of each party.

3. Coordination:

The parties will appoint a coordinator from each institution to oversee the implementation of this MOU. The coordinators will be responsible for:

- Communicating with each other on a regular basis to plan, execute and monitor the activities under this MOU.
- Liaising with the respective authorities, departments, faculty members and students of their institutions to facilitate the smooth functioning of the activities under this MOU.
- Resolving any issues or disputes that may arise during the course of this MOU.

Memorandum of Understanding

I. Introduction

This Memorandum of Understanding (MoU) is effective as of 11th July 2018 Academic year, establishes a basis for mutual understanding between

LAVISH SR TECHNOLOGIES

In the implementation of Internship Education concept, recognizing its benefits to the Student, Employer, and College as joint partners in this relationship.

And

RAJAMAHENDRI INSTITUTE OF ENGINEERING & TECHNOLOGY,

located at Near Pidimgoyyi, Bhoopalapatnam, Rajamahendravam-533107, Andhra Pradesh

II. Objective of Internship Education

Internship Education is an academic concept designed to strengthen a student's learning experience by integrating on-campus studies with closely related work experience.

III. Responsibilities

The College, Employer and Student interact to ensure that the academic and work experience goals of Internship Education are achieved to the mutual benefit and satisfaction of all parties.

A. The College agrees to:

1. Aggressively screen and match qualified students for referral to work experience opportunities identified by the cooperating employer.
2. Provide qualified students with access to Internship work experience and opportunities.

3. Provide employers with appropriate personal and academic information on qualified student applicants, upon written authorization by the student.
4. Facilitate and coordinate the interview process as a service to both the student and employer.
5. Award credit to participating students who have met the academic requirements of their program.
6. Inform students and employers of any actions which affect student-employer relations.

B. The Employer agrees to:

1. Inform the College's Office of Internship Education of all work experience opportunities which have Internship Education potential.
2. Consider for employment all qualified students prescreened and recommended by the College's Office of Internship Education.
3. Participate with the College's faculty supervisor in the coordination of the student's work experience activities and scheduling.
4. Provide the student with an orientation to the work setting upon initiation of each new internship work experience, as appropriate.
5. Provide the student with meaningful work assignments which, within the confines of employer needs and time-tables, will enhance and complement the student's academic program at the College.
6. Assist the student in the development of specific learning objectives which coincide with the student's career goals and academic programs.
7. Provide students to the extent possible, an overview of all applicable aspects of the industry including organization and management structure, technical and production processes, and major industry, labor, health, environmental, and community issues impacting the business.
8. Evaluate the student's work performance at least once during each internship work experience period. Discuss the evaluation with the student and complete the internship evaluation forms.
9. Handle all personnel processing matters related to the student's employment.
10. Notify the College of any personnel actions taken which may affect the student's standing in Internship Education.

11. Whenever possible, pay the student a wage or salary commensurate with the student's responsibilities, education, experience level and career field.
12. Provide safe and healthful working conditions for the student and hold the College harmless for any injury, illness or damages resulting directly or indirectly from the student's employment activities.
13. Encourage the student to complete his or her academic program at the College.

C. The Student agrees to:

1. Enroll in the appropriate Internship Education course, for at least one semester, upon accepting employment in a college-approved Internship Education placement.
2. Attend the initial internship orientation meeting.
3. Continue enrollment in an approved certificate or degree program at the College while participating in a college-approved internship work experience placement.
4. Maintain a minimum Grade Point Average of 2.0 while participating in an internship work experience placement.
5. Identify and write specific work performance and learning objectives relating the internship work experience to his/her academic studies, for each semester enrolled in an internship education course.
6. Keep a Weekly Log of work activities and submit it to the faculty supervisor at mid-term and prior to finals.
7. Participate in activities designed to provide an overview of all applicable aspects of the industry.
8. Prepare a final five-to-eight-page paper summarizing the work experience, or an alternative project approved by your Faculty Internship Advisor.
9. Participate in the student/employer evaluation process.
10. Turn in workbook and all other assignments to the faculty supervisor.
11. Approach responsibility to the employer and College with dedication, enthusiasm, and maturity.

IV. Permanent Employment

Neither the employer nor the student is bound by this agreement to offer or accept permanent employment, although this is often the outcome of an Internship Education

relationship. Internship Education placements are not intended to displace current full-time permanent employees of the employer.

V. Equal Employment Opportunity Statement

RAJAMAHENDRI INSTITUTE OF ENGINEERING & TECHNOLOGY, Rajamahendravaram prohibits discrimination against any person on the basis of age, ancestry, citizenship status, color, creed, ethnicity, gender identity and expression, genetic information, marital status, mental or physical disability, national origin, race, religious affiliation, sex, sexual orientation, or veteran status in its activities, admissions, educational programs, and employment.

Bhoopalapatnam, Pidimgoyyi, Rajamahendravaram, Andhra Pradesh 533107 represented by
its Principal **Dr.V.Lakshmi Narayana**, Head of the Institution, here in after referred to as
RIET;

Both SIMS and RIET are collectively referred to as the Parties and individually as a Party.

WHEREAS, SIMS is an institution offering various undergraduate and postgraduate programs in
management disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, RIET is an institution offering various undergraduate programs in engineering
disciplines with state-of-the-art infrastructure and facilities;

WHEREAS, both the Parties are committed to enhancing the quality of engineering education and
research through collaboration and cooperation;

NOW THEREFORE, the Parties agree as follows:

1. Objectives

The objectives of this MOU are:

- To conduct joint FDPs, workshops, seminars, both national and International Conferences on topics of mutual interest and relevance.
- To share the resources, expertise and best practices of both the institutions.
- To facilitate the participation of faculty members and students of both the institutions in the FDPs, workshops and seminars, both National and International Conferences conducted by either institution.
- To explore the possibilities of joint research projects, consultancy services and publications.

2. Scope

The scope of this MOU covers the following areas:

- FDPs: The Parties will jointly organize FDPs on emerging topics and technologies in engineering disciplines. The FDPs will be designed to enhance the knowledge, skills and competencies of the faculty members of both the institutions. The FDPs will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the FDPs will be decided mutually by the Parties.
- Workshops: The Parties will jointly organize workshops on practical aspects and applications of engineering concepts and tools. The workshops will be aimed at providing hands-on experience and exposure to the faculty members and students of both the institutions. The workshops will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the workshops will be decided mutually by the Parties.
- Seminars: The parties will jointly organize seminars on current issues and trends in engineering domains. The seminars will be intended to provide a platform for sharing ideas, insights and experiences among the faculty members and students of both the institutions. The seminars will be conducted either online or offline or in a blended mode as per the convenience and availability of the resource persons and participants. The duration, frequency, venue, fees, certificates and other details of the seminars will be decided mutually by the Parties.
- Research and Incubation Cell: The parties will explore the possibilities of undertaking joint research projects, consultancy services and publications in the areas of mutual interest and relevance. The parties will identify the research topics, objectives, methodology, funding, timeline, deliverables and other aspects of the research projects. The parties will also seek to publish the research outcomes in reputed journals and conferences. The parties will share the

intellectual property rights, benefits and responsibilities arising from the research activities as per the agreed terms and conditions.

- Exchange: The parties will facilitate the exchange of faculty members and students for participating in the FDPs, workshops and seminars conducted by either party. The parties will also encourage the exchange of faculty members and students for pursuing research projects, consultancy services and publications. The parties will provide the necessary support and assistance to the visiting faculty members and students in terms of accommodation, transportation, access to facilities and resources, etc. The parties will also recognize the credits earned by the visiting faculty members and students as per the norms and regulations of their respective institutions.
- National and International Conferences: The parties will jointly organize National and International Conferences on current issues and trends in engineering domains. The background and context of the conference, such as the theme, objectives, expected outcomes, target audience. The roles and responsibilities of each party involved in the conference, such as the organizers, sponsors, speakers, participants.
