MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2022-2023

Name of the Stakeholder: Student

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Students' feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY STUDENTS

Sample of 10

SL. No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
2.	Carrier Advancement	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
3.	Availability of ICT facilities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	Training Support	78%	Good	We will work towards the process more effectively and action will be taken
6.	Internet & Computer Availability	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
7.	Cleanliness of Toilets /Washrooms	78%	Good	We will work towards the process more effectively and action will be taken
8.	Cleanliness of	85%	Very Good	By taking into account the

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2022-2023

Name of the Stakeholder: Teaching Staff

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Teaching Staff's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY TEACHING STAFF

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Availability of ICT facilities	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
4.	Research & development Amenities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	FDP or Training Support	83%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
6.	Internet & Computer Availability	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2021-2022

Name of the Stakeholder: Students

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Student's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY STUDENTS

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	83%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
2.	Carrier Advancement	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Availability of ICT facilities	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	Training Support	80%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
6.	Internet & Computer Availability	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
7.	Cleanliness of Toilets /Washrooms	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2021-2022

Name of the Stakeholder: Teaching Staff

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Teaching Staff's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY TEACHING STAFF

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Availability of ICT facilities	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
4.	Research & development Amenities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	FDP or Training Support	83%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2020-2021

Name of the Stakeholder: Alumni

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Alumni's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY ALUMNI

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
3.	Availability of ICT facilities	93%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	88%	Excellent	To retain the same production, we shall continue to exercise the same rigour.

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2019-2020

Name of the Stakeholder: Parent

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Parents' feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY PARENTS

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
3.	Availability of ICT facilities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	95%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
5.	Training Support	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2019-2020

Name of the Stakeholder: Alumni

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Alumni's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY ALUMNI

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	100%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Availability of ICT facilities	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	Training Support	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2018-2019

Name of the Stakeholder: Alumni

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Alumni's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY ALUMNI

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	98%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
3.	Availability of ICT facilities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
4.	Sports Amenities	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
5.	Training Support	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
6.	Internet & Computer Availability	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
7.	Placement Support	95%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
8.	Support from the College	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
9.	Availability of clean drinking	93%	Excellent	To retain the same production, we shall continue to exercise

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2018-2019

Name of the Stakeholder: Non Teaching Staff

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Non Teaching Staff's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY NON TEACHING STAFF

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Carrier Advancement	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Training Support	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Internet & Computer Availability	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
4.	Cleanliness of Toilets /Washrooms	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action

MINUTES OF IQAC MEETING IN THE ACADEMIC YEAR 2018-2019

Name of the Stakeholder: Teaching Staff

To bring the feedback analysis to their attention and ask if there was a chance for meaningful adjustments to be made to the college facilities. IQAC convened a meeting with all of the in-charges and HoDs under the Head of the Institution.

Teaching Staff's feedback above 75% is considered positive feedback and below that is negative feedback and we are working for the environment.

FEEDBACK ON FACILITIES BY TEACHING STAFF

Sample of 10

SL.No.	Particulars	Overall Assessment	Feedback/ Concern	Action to be taken
1.	Library Ambience	90%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
2.	Carrier Advancement	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
3.	Availability of ICT facilities	93%	Excellent	To retain the same production, we shall continue to exercise the same rigour.
4.	Research & development Amenities	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
5.	FDP or Training Support	83%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
6.	Internet & Computer Availability	88%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
7.	Cleanliness of Toilets /Washrooms	85%	Very Good	By taking into account the concerns, we will try to improve the process and take appropriate action
