- II. DATE : 06-11-2019
- III. VENUE : RAJAMAHENDRI INSTITUTE OF ENGINEERING & TECHNOLOGY

**REPORT:**

In response to the call given by the Honorable Prime Minister Shri Narendra Modi, the Swachh RIET Programme was launched at Rajamahendri Institute of Engineering and Technology. A day prior to the launch a massive awareness drive was undertaken through posters, social networking sites and word of mouth in the college. NSS Unit conducted meeting in the college to promote awareness among students regarding cleanliness. On the 26th morning, students were divided into groups and they personally cleaned every nook and corner of the college. Special attention went into ensuring cleanliness of areas like the canteen, library, toilets and the college lawns which are the favourite haunts of students and therefore more prone to littering. NSS volunteers and students roped in for the effective implementation of the programme.

### REPORT:

RIET NSS Unit conducted plantation Programme in the nearby villages on 30/9/19. In the plantation programme organized by Rajamahendri Institute of Engineering and Technology, NSS team conducted plantation programme for protecting environment and asked the people to plant more trees in their surroundings.

The volunteers of the NSS unit of our College enthusiastically participated in the plantation programme. Secretary and Correspondent Sri G.Sai Radha Krishna inspired the students to work collectively for the protection of Earth and emphasised on the need to build a greener world. Principal V.Laxminarayana said the objective of Plantation programme was to make younger generation more sensitive towards environmental protection. NSS Programme Officer P.Sateesh Kumar also spoke on environmental sustainability and conducted the proceedings. He said "To tackle the problem of pollution and global warming, we have to plant more trees every year. The college staff also motivated the students to contribute towards the protection of the environment. NSS volunteers created awareness among villagers and asked the villagers to keep the surroundings clean and save the planet Earth by planting more number of trees.

- II. **DATE : 21-08-2018**
- III. **VENUE : RAJAMAHENDRI INSTITUTE OF ENGINEERING & TECHNOLOGY**

**REPORT:**

The NSS unit of Rajamahendri Institute of Engineering and technology conducted clean and green programme at adopted village. All the students of Pidimgoyyi Zilla Parishad High School, some villagers and volunteers participated in the programme.

**FEEDBACK**

We are very much satisfied by conducting Clean and Green Programme mainly because of good response and co-operation we got from school students and villagers. Moreover, NSS volunteers learned about the social responsibilities.

Active participation of the NSS Volunteers during the Clean and Green Programme
