PROGRAM REPORT

Title of Activity: National Youth Day

Date & Venue: 12-01-2019, SEMINAR HALL.

Description of Event:

Each January 12th, India celebrates National Youth Day, honoring the birthday of Swami Vivekananda. This monk and philosopher championed empowered youth. National Youth Day ignites young minds with events like youth parliaments and social issue workshops. It's a day to remember Swami Vivekananda's ideals – education, character, and service – and inspire young people to become active and responsible citizens, shaping a brighter future for India.

Rajamahendri institute of engineering technology celebrated the National Youth Day on January 12, 2018 to commemorate the birth anniversary of Swami Vivekananda. The chairman of RIET COLLEGE, G.SAI RADHAKRISHNA advised the students to follow the footsteps of the most influential leader, Maulana Abul Kalam Azad to develop leadership traits. The Principal Dr. V. Lakshmi Narayana proclaimed the need of holistic development in grooming individuals into well—rounded personalities.

PROGRAM REPORT

Title of Activity: NATIONAL MATHEMATICS DAY

Date & Venue: 22-12-2018, SEMINAR HALL.

Description of Event: National Mathematics Day is known for Srinivas Ramanujan. A self-taught mathematician who made extraordinary contributions to the world of mathematics. Srinivasa Ramanujan was one of the most influential mathematicians of his time. He was considered as doyen of number theory, infinite series, mathematical analysis and making formulas and equations without any formal training in pure mathematics. As a mathematical genius, he had compiled more than 3900 mathematical results and equations and getting discoveries named after him. His numerous assertions in mathematics opened up new vistas of mathematical research. Along with British Mathematician Hardy, Ramanujan had discovered the smallest number represented as sum of two cubes 1729 which is known as Hardy-Ramanujan number.

He didn't live long but in his short life he compiled more than 3900 mathematical results and equations, and his discoveries namely Ramanujan Prime and Ramanujan theta inspired further research on the subject. An unparalleled genius and a self-taught mathematician, Ramanujan found his true calling in numbers and made extraordinary contributions to mathematical analysis, number theory, infinite series, and continued fractions.

Rajamahendri institute of engineering technology celebrated the NATIONAL MATHEMATICS DAY on December 22, 2018 to commemorate the birth anniversary of Srinivas Ramanujan. In this regard, elocution and essay writing competitions were conducted to the students and prizes were distributed to the winners.
